### Republic Day Activity

#### RESPECT THE CONSTITUTION OF FREE INDIA

January 26, the Republic Day of India, is a monumental part of the history of India and is celebrated as a grand affair till date. Teaching students about Republic Day is one of the way to instill patriotism in them. It will give them a sense of belonging to the country they are born in, and will help mould them into responsible citizens.

The first graders of Kothari International School were involved in sessions on significance of this day and craft activity where they made India's National Bird Peacock using tricolour sheets .
