The Doha Vachan for Grade 8 was held on Wednesday, 17 July 2019 in the AV Hall in Kothari International School. The students were sitting according to their houses and it was evident by the enthusiasm that they wanted their respective houses to win. The show started with the lighting of the auspicious lamp by principal ma'am, some parents, students and the guest of honor, Vice Principal of DAV School, Sahibababd.

The eminent judges were Ms. Gunjan Tyagi and Ms. Sangeeta Mullick from the primary wing. The excited participants were introduced to the first round in which they had to sing dohas by Rahim and Kabir. They explained the meanings also. All the four teams sang beautifully and had left the judges in awe, after a brilliant first round, the second round was introduced. The second round had one participant from each house telling a self-composed Doha on 'how to stay healthy'.
