1	05/05/19	Workshop by Chinmay Mission	<p>A workshop on ‘Empowering the Intellect’ for teachers and admin staff was conducted at Kothari International School on Saturday 04May 2019. This workshop saw no less than 200 educators in attendance. The workshop organized by Chinmaya Mission, Noida, comprised twelve stages of intellectual growth culminating in a question- answer round at the school auditorium. Swamiji notably pointed out the difference between the ‘intellect’ and ‘intelligence’, intellect being the key instrument of a human being and how as educators we can help children cope up with all changes intelligently. The workshop was informative and well conducted overall.</p>	
2	09/05/19	Assembly on SDG 1 – ‘No Poverty’ by Grade 7D	<p>The assembly started with a prayer. After which the anchors introduced sustainable development goals with a video and slides. After disclosing the topic, meaning of poverty, the thought of the day was shared by the students. A beautiful SKIT titled <i>MAJBOORIYAN -WALLS BETWEEN RICH AND POOR</i> was showcased by students. As we all know that Poverty is</p>	

a big challenge and Government alone cannot provide all the solutions, various solutions for eradication of poverty were presented by the students. The solutions culminated with a wonderful Video on togetherness. Assembly moved ahead with Campus news, book review on 'The Book Thief' and Zumba fun.
