2 nd July 2019	WORKSHOP ON ERP MOBILE APP	4&5	<p>Effective communication between parent and school management is the foundation of a child's education. To strengthen this foundation Kothari International School Noida had taken an imperative step by introducing Enterprise Resource Planning (ERP) mobile app and now it is ensuring that the teachers stay updated with the nuances and functions of the app by conducting regular workshops.</p> <p>On 2nd July 2019, another such session was organised for the faculty members in the computer lab. The teachers took this session as an opportunity to solve their queries and understand how they can use this app to stay connected with the parents through it.</p>	
16 th July 2019	ASSEMBLY (GOOD HEALTH AND WELL BEING)	4 A	<p>Assembly of grade 4A was held on 16th July 2019 in AV hall at 9 am. The topic of the assembly was 'Good health and well being'. The students presented the topic in the form of a small play. Through the play it was conveyed clearly about the benefits of healthy eating and importance of physical health. A great emphasis was given on mental health also. A connection between the health and clean surroundings was also conveyed</p>	

			<p>by highlighting the campaign Swachch Bharat. The aspects of healthy living were told in the form of a poem. The assembly was concluded by a small yoga session carried out by the students. The parents, teachers and students participated enthusiastically in the yoga session. Each yoga posture was instructed to the audience and their benefits were explained. The children were energetic and enthusiastic.</p>	
<p>20th July 2019</p>	<p>DESIGN WORKSHOP</p>	<p>4&5</p>	<p>On 20th of July 2019, Kothari International School Noida organised a design workshop for senior grade students pursuing arts and teachers. Teachers of grade 4 and 5 enthusiastically participated in this workshop, conducted by Ms. Anandita Roy, ITM University, Mumbai; and Mr. Gopal and Jitender, Lovely Professional University.</p> <p>3D Wall Art and Paper Lantern Decoration activities were used as the medium to introduce and induce pattern making ideas and genres of design to the participants.</p> <p>The workshop provided participants with hands-on experience and freedom to generate ideas which is the foundation of designing.</p> <p>The workshop proved to be an inspiring, creative and colourful exploration of ideas.</p>	

<p>23rd July 2019</p>	<p>ASSEMBLY (LA TOMATINA)</p>	<p>5 B</p>	<p>The Spanish festival La Tomatina was celebrated with great pomp and fervour by the students of Grade 5B at KOTHARI INTERNATIONAL SCHOOL (KIS), Noida in a special morning Assembly on 23rd July, 2019. It was a great learning experience for all. The main objective of the assembly was to raise awareness about the festival of La Tomatina which is a food fight festival held in the Valencian town of Buñol wherein participants throw tomatoes and get involved in a tomato fight purely for entertainment. It which was potrayed beautifully by the students starting from how the festival started in the year 1945 to how the festivities are done now.</p> <p>The Assembly concluded with a beautiful Spanish Dance which left the audience spell bound. The entire hall resonated with positive energy and applauds. Parents appreciated the efforts put in by all the people who helped in making the Assembly so amazing.</p>	 
<p>30th July 2019</p>	<p>WORKSHOP ON SOCIAL AND EMOTIONAL ISSUES FACED BY STUDENTS</p>	<p>K1-5</p>	<p>On 30th July 2019, Kothari International School Noida organised a workshop for the faculty members of grade K1 to grade 5. The workshop was conducted by Ms Aksi, Ms Atina and Ms Kritika of Rainbow department and introduced teachers to several emotional and social issues students may face in a classroom.</p> <p>While discussing any scenario the state and understanding of both , a student with learning disability and a mainstream student, was taken in context to explore the intensity of trauma any unpredictable scenario may inflict on the students.</p> <p>The main idea brought in light during the session was the</p>	

			<p>imperative role of predictability, constant and healthy communication, understanding types of communication, anger management strategies, and the adult – child relationship, in creating a stable and secure environment for any child.</p> <p>The workshop also brought forward the difference in the needs and experiences of autistic students in terms of structure, empathy, communication and perception.</p>
