Report on English Spell Bee Competition

Grades 6 & 7

An inter house Spell bee competition for Grades 6 and 7 was organized in the school premises on 31st August 2019. This competition was one of the numerous enjoyable competitions that gave students a platform to learn spellings in different ways.

This competition helps students improve their spellings, increase their vocabulary, learn concepts, and develop the use of correct English.

Students participated with great enthusiasm and they dueled through the toughest words. It was a wonderful learning source not only for the participants but also for their peers. It also helped in enriching the vocabulary bank of the students.

The competition was conducted in five rounds- Visual round, Word wheel, weave the letters, Rapid fire and Reverse spell. A special round was conducted for the parents as well.

The event was flawlessly conducted by the students of the same grade.

To reach the final round, all the children had to appear for the Written Spelling test and the ones who qualified, sat for the finals. Since it was an Inter- House competition, each team had six members and they competed against each other.

Vishwas house stood first followed by Shakti, Siddhant and Nischay House.

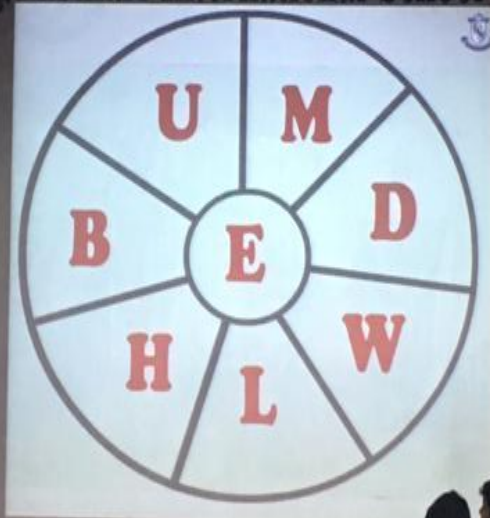

The students performed confidently and were appreciated for their efforts by all.

The program concluded with a beautiful Maharashtrian dance performance- Koli, by our school students.
