Report – Swachhta Abhiyan Art Competition

Grade 4 & 5

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. By inviting people to participate in the drive, the Swachhta Abhiyan has turned into a National Movement. A sense of responsibility has been evoked among the people through the Clean India Movement. With citizens now becoming active participants in cleanliness activities across the nation, the dream of a 'Clean India' once seen by Mahatma Gandhi has begun to get a shape.

Now, what better age to learn the lesson of cleanliness than the childhood! To evoke a sense of responsibility at a young age and present what this drives mean to the young our generation, Kothari International School Noida conducted an art competition organised by the Noida authority on 23rd October 2019.

Students of grade 4 and 5 participated in the art competition with zest and painted an India as they see it, 'clean and green'. The paintings as well as the enthusiasm of children reflected the promise of a better future and a generation of responsible citizens.
