1	04/09/19	CHANDRAYAN 2 WORKSHOP	<p>The students of the middle and senior wings of K.I.S. had the glorious opportunity of attending a workshop on India's second mission to the Moon, <i>Chandrayaan 2</i>. This workshop was conducted by the <i>Society of Space Education Research and Development</i>. The <i>S.S.E.R.D.</i> is an organization which is elevated to promote astronomy among the general public and create awareness about the current inventions and innovations in this sector. On behalf of the <i>S.S.E.R.D.</i>, <i>Mr. Shivam Sharma</i>, an accomplished aero-space engineer and expert aero modeler and designer, was the guest speaker for the session. Accompanying him were the organizers of the prestigious event, <i>Mr. Neeraj Bhasim</i>, <i>Mr. Ajay Sharma</i>, <i>Shantanu</i> and <i>Deepashish</i>. The videos and documentaries displayed were provided by <i>National Geographic</i>.</p>	 
2	05/09/19	TEACHERS' DAY CELEBRATION	<p>Our school celebrated Teachers Day on September 5, 2019. The celebration began in the morning itself. The children were very excited to celebrate their teachers. A Food and game Carnival was organised in the classes where the students had put up the stalls of games and eatables prepared by them. Each class was decorated and dressed up for the occasion. All the teachers of the school were invited for the same. It was a merry making time for all. In the afternoon, a havan was performed for the welfare and for the prosperity of all.</p>	

	<p>05/09/19</p> <p><b>TEACHERS' DAY CELEBRATION</b></p>	<p>In the afternoon, a havan was performed for the welfare and for the prosperity of all, followed by a movie in the school A.V. Hall. The celebration concluded with a grand lunch for the teachers and paved a new hope to rejoice the journey as a teacher.</p>
