**CONDUCTED BY** : GRADE 6 D  
**ATTENDED BY** : GRADE 6 & 7

The Sustainable Development Goals (SDGs) are 17 goals defined by the United Nations to tackle the world's biggest problems by 2030. Keeping this in mind KIS this year is focussing on these global goals through class assemblies. The goals form a useful lens through which we can look at the most pressing global issues.

**“Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.”- Martin Luther King JR.**

An assembly was held by students of Standard 6 D highlighting one of the sustainable goals “Peace, Justice and Strong institutions”. The assembly began with the prayer “Vaishnav Jan Toh” which mesmerised the audience.

Students sensitized their peers towards violence and abuse faced by people, they also depicted the injustice that Gandhi ji (father of the Nation) had to face in South Africa through a skit. Students came out with the solutions to bring peace and justice in the society.

The highlight of the programme was the dance performance by the students on the song titled “Heal the World” which was choreographed by students themselves.

Students also presented their own views beautifully on the theme by giving statements like....

I am a peacemaker because I don't tolerate Abuse.  
I am a peacemaker as I spread positivity everyday  
Justice for the poor.  
Justice for those women who are controlled in anyway.

The entire audience was charged up with the energising activity. Principal ma'am appreciated the assembly and motivated children to record and speak about the good happening in the society rather than talking about wrong things happening. Vice Principal ma'am congratulated the Birthday buddies and gave blessings to them.

The assembly came to an end by singing school song followed by national anthem.
