GRADE 4 & 5

REPORT - INTER-SCHOOL CRAFT COMPETITION

Art, in any form, brings meaning to people's life and has the power to transform the thinking of society. With **art**, we can preserve the World's culture and traditions. With the help of **art**, we can also learn about the world, people and the ways they evolved.

It is art through which we can learn which can teach us, even at an early age, the benefit of utilizing old things. It can very well be taken as one of steps to introduce the importance of Reuse, Recycle and Reduce.

Dwita Sharma of Grade 4 C, participated in SMT. RAJESHWARI PAUL KALA SANGAM, An Art, Music & Dance Festival 2020, conducted by Apeejay School, Noida on Friday, 28th August 2020. The category was Paper Straw Craft where the participants used an object of utility from the paper straws made out of old newspapers & magazines. The participants enhanced their work with various decorative items collected or made by them. The competition was conducted online via Zoom meeting link.

Shravya Pandey of Grade 5 D, participated in SMT. RAJESHWARI PAUL KALA SANGAM, An Art, Music & Dance Festival 2020 conducted by Apeejay School, Noida on Friday, 28th August 2020. The category was Utility Box Craft where they had to make an object of utility from waste material like shoe box, soap box and carton. They had to enhance it either by painting or give a 3-D look with craft materials. The participant went all ecological while making this craft box as she used covers of old notebooks, old invitation cards & old newspapers. The competition was conducted online via Zoom meeting link. It was an innovative way of participating in an Inter-school event which connected participants and teachers.
