

Activity and Events

Dance is the language of the soul and Kothari International School believes in encouraging its students to lead an enriching life by staying active during this difficult times.

Co-Curricular activities form an integral part of the overall personality development of any individual. Keeping this in mind, Students of Grade K2 had their first virtual 'Solo Dance Show on 3rd July 2020'. The show started with great zeal and enthusiasm and the little feet mesmerized everyone by their flawless performances and cute smiles, winning over every heart and rocking the stage.

The children dressed up in colourful costumes, twirled around and set the stage on fire with their thrilling performance. Such events increases self-confidence in a children and it helps them to overcome stage fear and face audience without any anxiety.

FIRELESS COOKING**

A fun filled fireless cooking session was planned online for K1 students of Kothari International School on July 10th, 2020. Our little chef's wearing their colourful aprons and chef caps made open sandwiches and decorated it in the form of smiling face using cheese and vegetables.

They also made another snack called monaco tops using salty biscuits with toppings of cheese and ketchup. A refreshing drink with tang/concentrated syrup was also made. It was a welcome change for all the children and the joy was seen on their faces after the dishes were ready. They all enjoyed eating it together online with their classmates and were looking forward for more such activities and also helping their parents in kitchen.

Activity and Events

“It’s Been One Blur of Fun”

Scholastic and co-scholastic activities have an equal importance in school programme for the all-round development of the child. Keeping this in mind, Kothari International School organized the Costume Party on 10th July 2020, for the students of Grade K2.

Children were dressed in their colorful costumes and spoke a few sentences on the character that they depicted. The purpose of organizing such events was not only to blend learning with fun but also to develop confidence in the students by giving them an opportunity to speak few lines about the character in front of their own classmates. Students displayed their talents with great zeal and enthusiasm. They dressed up as freedom fighters, their class teacher, favorite cartoon characters, super heroes, actors, etc. All our little ones were looking adorable. They won our hearts with their exuberance and enthusiasm!

**GRADE-3
THE GRATITUDE JAR**

Instilling gratitude in children goes way beyond teaching them to say ‘thank-you’. Teaching children gratitude is about teaching them to appreciate everything they have, and to show generosity and empathy to others. Hence, an activity called ‘The Gratitude Jar’ was conducted virtually by the students of Grade-3 on 10th July 2020. The students created a ‘Gratitude Jar’ and filled it with their ‘Thank You’ notes to convey their gratitude to friends and family for their kind services!

Activity and Events

Our little change makers of Grade 2 participated in an activity 'Expressions' on Thursday 16th July'20 virtually. This activity primarily focused on honing the communication skills of the students and makes them confident in expressing themselves. The thoughts expressed by students were as varied and well organised and it made the activity enjoyable for them.

GRADE-K1 ANIMAL PARADE

Animal Parade was planned online for K1 students of Kothari International School on July 17th, 2020 as an activity of the ongoing theme 'Tom and Jerry'.

The students wore costumes and masks of their favourite animal and spoke few lines about it. Some of the students had also got their face painted which was very creatively done.

The students took out sounds, recited rhymes and walked like their favourite animals. The activity turned out to be very successful as the students and the parents were very excited to present their act.

Activity and Events

All great things begin with a small step and one such endeavour of Kothari International School was to organise 'Fun with Science Experiments' on 17th July, 2020 for K2 students. What started as an activity to encourage curiosity and thinking skills, soon became an event that explored the wonders of science. Today's experiment, though simple, was very fascinating for young minds. Children investigated which solids dissolve in water and loved doing it. It was indeed a fun filled day!!

I AM WHAT I DREAM**

'I am what I dream' was an activity organized by Grade 1 on 17th July, 2020 which enabled students to communicate their dreams and aspirations in a very artistic manner using props like placards, head gear, costumes etc. As the name suggests, 'I am what I dream' was the students' articulation to become like his Reel or Real-Life Hero through an Act of Dramatics, Short Play, Role Play, Monologue etc. It was a Fun Friday which ensured students to hone their motor skills.

Activity and Events

If your child has been acting like Red Robin Hood or Pasta The Baby Cat and adventuring in the living room fret not, it's his imagination going wild. Children with vivid imaginations explore the world around them by creating make-believe situations and crafting fantasy play.

Drama is one such strong medium of communication. In order to develop dramatic skills and promote acting ability among students, Grade K2 at Kothari International School, were introduced to drama through 'NAVRAS'.

As the name suggests, NAVRAS are the 9 rasas of acting namely Shringara (love/beauty), Hasya (laughter), Karuna (sorrow), Raudra (anger), Veera (heroism/courage), Bhayanaka (terror/fear), Bibhatsya (disgust), Adbutha (surprise/wonder), and Shantha (peace or tranquility). All the children vividly acted on stage.

They all excelled themselves on putting the mini-drama show based on the various emotions. Navras were used by children to communicate the various emotions through their favourite Bollywood character.

Once the activity started, the teachers were more eager than the students. Each one supported their classmates with full enthusiasm, cheering hard and waiting for their turns.

RAKSHA BANDHAN ACTIVITY**

'Raksha Bandhan' or Rakhi is a special occasion to celebrate the virtuous bond of love and togetherness between a brother and sister which is one of the deepest and noblest of all human emotions. To commemorate this festival Rakhi Making Activity was organized virtually for first graders on 28th July 2020. Students made glittering Rakhis using different materials. It aimed at strengthening the bond of love and to instill the virtues of love and harmony among the budding Kotharians.

Activity and Events

Raksha Bandhan or Rakhi is a special occasion to celebrate the bond between a brother and a sister. The sister ties a thread called Rakhi around the wrist of her brothers. Raksha bandhan emphasises both sisters and brothers protecting, helping and loving each other for a better tomorrow.

K1 students of Kothari International School celebrated this festival on July 30th, 2020 virtually. An activity was planned for them wherein they made beautiful handmade rakhis using ribbons, coloured and glitters sheets. It was a fun filled activity and the importance of the day was also explained to the students.
