**Instructions for examination:**

1. The students are expected to join the respective subject class for assessment with the cameras switched on at 9:50 a.m.
2. The device should be positioned in such a way that the invigilator has an unobstructed view of the student's hands and the entire upper frame.
3. There should be no material other than the materials needed for the examination at the student's workplace.
4. The invigilator is empowered to have the student move the camera in order to maximize this unobstructed view. Compliance with the instructions given by the invigilator is mandatory.
5. Students must sit with ruled sheets and necessary equipment needed for writing assessment
6. The paper will be assigned at 10:00 a.m.
7. There is no reading time as per the Cambridge regulations.
8. Submissions beyond the stipulated time of the paper would result in the non-evaluation of the submission.

Parents are requested to collaborate with the school and ensure that the work is the candidate's own and that no assistance has been given.

Warm Regards

Dr.Sangeeta Arora
