

KOTHARI INTERNATIONAL SCHOOL
ACTIVITY REPORT – MARCH, GRADES 6-10

DATE	EVENT	GRADE	FEEDBACK	PHOTOGRAPH
2 MARCH 2021	<p><u>Science</u> <u>Activity:</u></p> <p><u>CREATIVITY</u> <u>WITH</u> <u>TRASHIVITY</u></p>	Gr 6-8	<p style="text-align: center;"><u>CREATIVITY WITH</u> <u>TRASHIVITY</u></p> <p>The science teachers of the middle wing devised an innovative activity for the young learners of grade 6 to 8 with the objective of guiding the students think differently and giving wings to their imagination. The goal of this activity was to enhance creativity and understanding by applying the concepts already learnt in science classes. This activity ignited curiosity among the students as they were able to develop and prepare wonderful working models by recycling discarded items like plastic bottles, bottle caps, wires, clips, broken pens, cardboard, rubber bands, tin cans, straws, pencils, paper cups etc. Our budding inventors amazed the audience with their creative and pioneering ideas. The wonderful models created by our students included DIY Fire extinguisher, safety locker, Periscope, Hydraulic lift, Hydraulic pump, Wind turbine, magnetic propeller, working model of excretory system, digestive system, circulatory system, a Flywheel, lemon clock , sanitizing machine, water dispenser, artificial model of lungs, Hand fan etc. They were able to identify the wow factor behind each</p>	

			<p>invention. They elucidated each scientific principle involved in these models. The inquiring minds were awarded with e-certificates for their hard work and passion for science. In a nutshell, this activity helped in promoting creativity, critical thinking skills and learning by doing. This was an enriching experience for the young learner as well as the teachers.</p>	
<p>March 15, 2021 To March 31, 2021</p>	<p><u>SUMMER SPORTS CAMP</u></p>	<p>Gr4-8</p>	<p style="text-align: center;"><u>SUMMER SPORTS CAMP</u></p> <p>At Kothari International School, we consider Sports plays a pivotal role in the development of a child across all domains, i.e. Physical, Emotional, Social and Cognitive. The objective of this year’s summer sports camp was to help the children learn new skills in a specific sport, meet their peers and have a wonderful time away from their mundane routines. We believe that sport helps children build self-esteem, teaches them how to work together, and helps develop friendships that will last a lifetime.</p> <p>The summer camp took place from March 15, 2021 To March 31, 2021. The camp offered both indoor and outdoor sports. Our wonderful crew of skilled staff executed this camp with the children of KIS.</p> <p>The children were delighted to be a part of this annual summer sports camp as this gave them an opportunity to hone their skills.</p>	

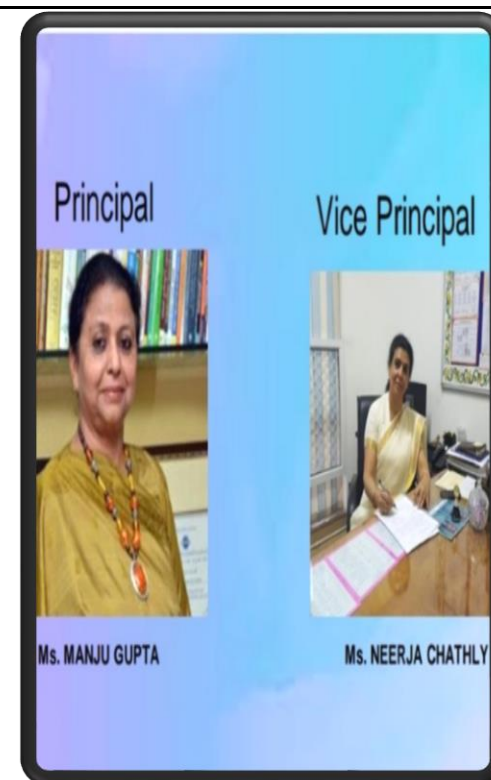

<p>24 MARCH 2021</p>	<p><u>VIRTUAL ORIENTATION</u></p>	<p>Gr-9</p>	<p style="text-align: center;"><u>VIRTUAL ORIENTATION OF GRADE 9</u></p> <p>A Virtual Orientation for the new batch of Grade 9 was put up on 24th March,2021. To maximise the participation of parents and students, two different time slots were used to disseminate an explicit information about the curriculum of Grade 9. Parents and their wards were introduced to the Grade 9 and 10 academic and non-academic faculty. The orientation provided details about the Scholastic and Co-scholastic aspects of CBSE and Cambridge Curriculum. A comprehensive account was given for the procedures for registration to CBSE by Ms Neerja Chathly, Vice Principal KIS. The steps to easy communication through various online mediums were shared in the orientation. A brief presentation was also given on the activities planned for the coming session along with the vibrant after school activities being carried out KIS sports Academy and Indrayu Academy. At the end, an inspiring talk was given by Ms Manju Gupta Principal KIS on the importance of meeting certain very important categories expectations in the coming session. The Principal's address was followed by queries put up by parents.</p>	
<p>25 March 2021</p>	<p><u>VIRTUAL ORIENTATION</u></p>	<p>Gr 8</p>	<p style="text-align: center;"><u>VIRTUAL ORIENTATION OF GRADE 8</u></p> <p>Kothari International School, Noida organized an Orientation Programme for the new batch of students of grade 8 on 25th March 2021 over our virtual platform, Google Meet. The event took place at two different</p>	

slots to maximize the participation of both students and parents.

The major objective of the program was to make the parents and students aware of the team through an extensive presentation, which included the coordinators, the grade tutors, the subject tutors, the special educators, art education teachers, and teachers from the Physical Education department.

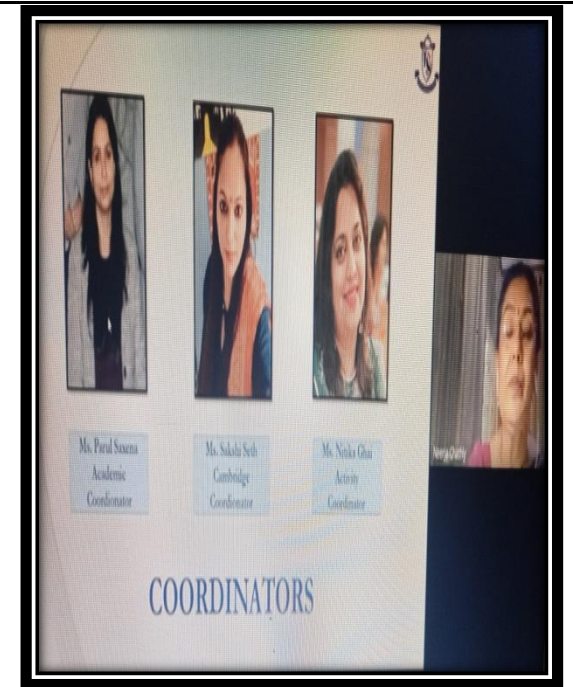

The discussion was further led by Ms, Parul Saxena, the Academic Coordinator presented the new scholastic overview for CBSE students. She also enlightened students by introducing the new assessment and evaluation system for the upper primary students and also shared the tentative assessment schedule. She was followed by Ms, Sakshi Seth, and the Cambridge Coordinator, who proudly spoke about the true international standards maintained by our school. She not just vocalized the Cambridge subject options but also informed the parents and students about the assessment pattern followed in the Cambridge curriculum. Ms. Nitika Ghai, the Activity Coordinator of the school, threw light on the importance of sports and further illuminated the audience on the wide array of co-scholastic activities that the students would be required to take up in the upcoming session.

Ms. Neerja Chathly took over the discussion by apprising the students and parents about the other strands of the new academic year where she notified the parents about the revised time table, the school

uniform and its availability, the various modes of communication with the school along with the Google classroom for online classes. She also mentioned the school website and Facebook page. She also took extreme pleasure to announce that the fee structure for this year also stood unchanged. Our Principal ma'am, Ms. Manju Gupta also graced the event where she congratulated all the students and parents on their promotions to the next grade.

The event came to an end with Neerja Ma'am answering and resolving the queries of the students and the parents.
