KOTHARI INTERNATIONAL SCHOOL, NOIDA
SESSION: 2021-22
GRADE: 8

Dear Parents & Students

We, at Kothari International School, would like to offer a very warm, personal welcome to our beloved students of Grade 8 to the academic session 2021-22.

We are sure that our students are eagerly waiting to come to school, meet their teachers and friends, and attend physical classes like before. We too had our preparations in place to commence both, online and offline classes in the session 2021-22. However, keeping the sharp surge in Covid-19 cases in view, we have reconsidered our decision and decided to begin the session **ONLINE** only till further intimation.

Please note that since we are not commencing the session offline, the students who opted for offline classes will be required to attend **ONLINE** sessions only.

You are requested to kindly take note of the following important details for Online (at home) classes:

1. School Timings – 09:00 am to 01:30 pm
2. Uniform – Complete Summer Uniform (mandatory) to be worn.
3. Hair must be cut / neatly tied in accordance with school guidelines.
4. The Wi-fi connection should be stable.
5. Devices must be fully charged. Cameras must be switched on and microphones must be fully functional.
6. A pair of headphones can be used. It prevents deviation from any kind of background disturbance.

Looking forward to seeing you all very soon. Once again, welcome!!

The Time Table and Google classroom codes for Online classes are being shared along with this circular.

Warm Regards
Neerja Chathly
Vice Principal
