## SUBJECT OPTIONS FOR GRADE 11 (2021-22)

Dear Parent

We thank you for having gone through the process of filling Subject option forms and attending the Subject Orientation held on 31<sup>st</sup> December 2020. We have added a few more options keeping in mind the requests received by the students and Parents. The Subject option form reflects some more combinations.

We are posting three Google forms, one each for Science, Commerce and Humanities. You along with your ward are requested to take a look at the final subject combinations your ward would want to pursue in Grade 11.

You are requested to fill the relevant form in case you want to make any changes in your subject choice. Kindly choose **ONLY ONE** Subject from each group. The student may opt for 6<sup>th</sup> Subject from the given options.

Duly filled Option forms are to be submitted to the respective Grade Tutor **positively by Saturday, 24.4.2021**.

We are preparing and planning to begin the new session Grade 11 in May 2021.

Warm regards

**Dr. Sangeeta Arora**  
Principal
