KIS/APRIL/21-22/030

28.04.2021

**Dear Parent**

**Opportunities** are the venues where people can try, test, better, and even find themselves.

KIS has always believed in giving opportunities to connect current knowledge with new learning. Continuing with this endeavour KIS feels elated to share with you that we have associated with ITM for their Summer School Program. Details are as under:

ITM group of Institutions is one of the leading centers for quality business & technology education in India. In the past 30 years they have assumed leadership in offering career guidance and training in different domains of business management, executive education, hotel management, design and media studies, health science, engineering, and vocational courses. Thousands of students have graduated from ITM and are now leading in different sectors across the globe.

This is the first time that **Summer School 2021**, a complete module of one week has been designed by ITM Institute of Design & Media (ITM-IDM), and Manchester Metropolitan University, U.K. (MMU). Students will receive a Certificate which will be in association with ITM-IDM and MMU
