## PTM FOR IGCSE-9

### Dear Parent

We at Kothari International School believe that communication between Parent, Teacher and Student is crucial for the development of the child.

With the completion of Internal assessment -1, it is essential for us to meet for an interaction so that you can give voice to your queries and suggestions and we can inform you of what was his/her performance in the Internal Assessment.

**In this respect, there will be a PTM on SATURDAY, 31 July 2021 from 11:00am – 11:45am.**

You are requested to join the PTM in G-Classroom using the Class Code which will be shared in advance with you by the Grade Tutor with other specific details.

We anticipate the presence of all Parents with their Wards for a fruitful meeting.

### Warm Regards

**Dr.Sangeeta Arora**

**Principal, KIS**
