PTM FOR IGCSE-9

Dear Parent

We at Kothari International School believe that communication between Parent, Teacher and Student is crucial for the development of the child.

In this respect, the grade tutor will be available on 21 August, 2021, Saturday between 9 am to 9:45 am for any academic discussion.

You may join the grade tutor class room for the same. The teacher would attend to one parent at a time, so please wait if any parent is already in the classroom.

We anticipate the presence of all Parents with their Wards for a fruitful meeting.

Warm Regards

Dr.Sangeeta Arora

Principal, KIS
