

## Activity and Events

The students of K1 enjoyed an interesting and fun filled game called 'Basket Challenge' on 2 July, 2021 under the on going theme 'Tom And Jerry'. The students dressed up appropriately for this game as they had to lie down and lift toys between their legs and throw it over their heads into a basket. It was a fun filled learning experience in which the students learnt to improve their eye-leg coordination, spatial awareness, gross motor development, cognitive thinking and thereby boosted their confidence and concentration

### GRADE-K2 FIRELESS COOKING

Learning to cook is a life skill which help children in building their self-confidence. Fireless cooking recipes are perfect for inculcating culinary skills in them. Taking some biscuits, plain/chocolate/any other, and modifying them into delectable little wonders in just 20 minutes is what our little Chefs did this Friday.

Students of Grade K2, at Kothari International School once again donned their Master Chef Caps and Aprons on 2nd July 2021 to exhibit their culinary skills in 'Fireless Cooking Class'. They learnt to make Exotic Monaco Canopies with delicious and healthy toppings. Children participated with full enthusiasm and were thrilled to see the outcome. They thoroughly enjoyed cooking and savouring the dish.

## Activity and Events

Public speaking is a powerful way for students to learn the necessary building blocks for effective communication. It empowers students and enables them to develop self-confidence and creative imagination in interpersonal skills. Students of Grade 1 were engaged in the online activity 'My-Kinda-Advertisement' on July 2nd, 2021.

Students advertised the product of their own choice in a very creative way by speaking appropriate and catchy lines, holding props for the product and giving a unique name to it. They were dressed up according to their advertisement and the product they were advertising. The activity was liked and appreciated by all.

### GRADE-1

### MY KINDA-ADVERTISEMENT

Garnish your thoughts with creativity! Grade 2 learners opened the gates to a world of words and phrases in an engaging activity 'Building Sentences' on 2nd July, 2021.

Sentence writing is important for children to communicate as it promotes imagination and helps them to write in a structured and organised style, giving wings to their thoughts. Students hone the ability to tune in with the world around them with confidence and open minds. Learners identified the parts of a sentence (a noun, verb and helping verb) and learned how they fit together to create meaning in writing.

### GRADE-2

### BUILDING SENTENCES ACTIVITY

## Activity and Events

Students of Grade 3 showcased their creativity and expression of thoughts through an activity called 'Caption a Picture'. The art of taking meaningful pictures makes us so much more observant and aware of the wonderful little things that surround us each day. Therefore, students of Grade 3 presented a photograph which they took and added some of the most interesting details as captions! The activity definitely helped students to unleash their creative and expressive side and encouraged them to communicate their thoughts, feelings and ideas through the lenses of a camera.

### GRADE-K1 KATHASHALA

On 9 July 2021 teachers of K1 organized Kathashala- the story of "Chatur Cheeku" using proper props, voice modulation, background music and facial expressions which created a lot of excitement and hilarity among the students.

After the story, the students were made to do drawings of 'Dholak' and 'Cheeku' (character of the story) in their art files. The activity was thoroughly enjoyed by everyone.

## Activity and Events

To bring alive the famous cartoon characters, a Costume Party was organized by Grade K2 on 9th July 2021.

The students dressed up as their favourite cartoon characters or super heroes and spoke a few sentences on the character they depicted.

The purpose of organising such events was not only to blend learning with fun but also to develop confidence in the students by giving them extra opportunities to perform in front of an online audience.

Students displayed their talents with great zeal and enthusiasm. All the little ones looked adorable and they won everyone's heart with their exuberance and enthusiasm!

### GRADE-2 ENGLISH HANDWRITING ACTIVITY

Despite the increased use of technology for written work, the skill of handwriting remains important in education and everyday life. Writing engages the brain and motor skills in a different way when compared to typing on a keyboard. Keeping in mind these benefits, Grade 2 organised an online 'English Handwriting Activity' on 9th July 2021.

The students were excited to grab their pencils and showcase the art of beautiful handwriting. There was pin drop silence in the air as the students were engrossed in putting their best foot forward. The students were committed and dedicated towards their masterpiece. At the end of the session their faces were gleaming with contentment and pride.

## Activity and Events

On 16 July 2021, the teachers of K1 organised a virtual tour trip to the zoo wherein the students were thrilled to see different animals and birds and learn about their habitat. After the virtual trip, the students were made to do a maze worksheet where they also had to draw their favourite animal that they saw in the zoo. The day was a great success and full of learning.

VIRTUAL TOUR TRIP**

All great things begin with a small step and one such endeavor of Kothari International School was to plan an activity 'Fun with Science Experiments' on 16th July, 2021 for K2 students.

What started as an activity to encourage curiosity and thinking skills, soon became an event that explored the wonders of science. Today's experiment, though simple, was very fascinating for young minds. Children investigated which solids dissolve in water and which do not and loved doing it practically. It was indeed a fun filled day!

SCIENCE EXPERIMENT**

## Activity and Events

Our erudite junior scientists from Grade 1 astounded us with their incredible science experiments on 16th July 2021. It was a fun filled activity showcased by our enthusiastic children on virtual platform wherein they explored the wonders of science in the present world. Kids showed us experiments on air and water, baking soda volcano, tornado in a glass, magic water, rainbows in water and so much more. The session was super fun that nurtured budding intellectual curiosity, planning and problem solving amongst our kids. What a sensory experience it was! Kudos to them!!

### GRADE-2 मौखिक अभिव्यक्ति रिपोर्ट

भाषा भावों को अभिव्यक्ति करने का एक सुन्दर माध्यम है। मौखिक भाषा के माध्यम से हम हमारे विचार विनिमय करते हैं। हम हमारी भावनाएँ व्यक्त कर सकते हैं। ऐसे ही खूबसूरत भावों का प्रस्तुतिकरण हमारे कक्षा दो के सभी छात्रों ने अपने "प्रिय कार्टून" के बारे में मौखिक अभिव्यक्ति के द्वारा दिनांक 14, 15 व 16 जुलाई 2021 को "शो एंड टेल" गतिविधि में किया। जिसका उद्देश्य बच्चों में आत्मविश्वास

## Activity and Events

Students of Grade 3 couldn't contain their excitement as they got a chance to go for a field trip. Yes! You heard that right, field trips but with a twist. The students got to enjoy an underwater virtual field trip as field trips are crucial for every student to acquire a wealth of knowledge. In the current scenario all students' learning got confined to the four walls of their houses but with these virtual field trips their learning continues outside the classroom while being at home.

### **GRADE-3 VIRTUAL TRIP TO MARINE LIFE**

### **GRADE-3 SUFİ DANCE**

Students of Grade 3 were elated as they celebrated Eid-ul-Adha by dancing to some soulful sufi songs. Tapping one's feet to a melody is perhaps the best way to express one's emotions within. Hence the students delightfully danced using some basic sufi dance techniques, twirling to the joyous waves that emerge straight from the heart and enjoying the moment whirling and spinning to this symphony of love, albeit a spiritual one.

## Activity and Events

Drawing and colouring play a big role in cognitive development of students. It helps them to think creatively, develop eye-hand coordination, hone analytic skills and thereby increase their confidence. To reconnoiter the imaginative potentials in the young minds the K1 students on 23 July 2021 actively participated in picture house drawing which is a part of their on-going theme "Tom and Jerry" wherein they learnt to draw different types of shelters for pet animals (dog, cat, mouse). It was overall a fun filled activity wherein the students learnt to give shape to their imagination and creativity.

**GRADE-K2  
COOKING UP A STORY**

Story telling has been an integral part of our childhood and to keep up with this tradition, students of Grade K2 participated in the Friday activity 'Cooking up a Story' on 23rd July, 2021. It's the stories that give wings to our imagination and take us to places beyond the boundaries of our physical world and into the land of fairies, dragons and wishing trees.

The young, enthusiastic storytellers with their props came forth with wonderful tales. While some stories took us to the fairy lands and some reinforced moral values in us. The children narrated the stories confidently with beautiful expressions and proper diction. The little story tellers won everyone's hearts and were applauded.

## Activity and Events

The students of Grade 1 participated in the activity, 'In Gratitude' which was organized on July 23rd, 2021 as a part of the ongoing theme 'Reel and Real'. Gratitude is the quality or feeling of being grateful and thankful which needs to be incorporated in our students.

The students had to choose their favourite real hero and speak few lines to show their gratitude towards them. They used props like cards, flowers, posters etc. It was a wonderful activity and all the students participated with great zeal and enthusiasm and were able to successfully showcase the respect and gratitude they have for their real life heroes.

### GRADE-1 IN GRATITUDE

Students of Grade 3 had a fun brain drill through an activity called Genius Combinations. Number sense is very important as it promotes confidence and mental calculation. It can also help in understanding math concepts better. Mental math is useful in other ways too. It keeps math facts from getting rusty and get to the answer faster. The activity required students to make different combinations of numbers as per the given operation to reach the same total. It was indeed fun and challenging and a great way to enhance the number sense.

## Activity and Events

Founders Day is traditionally a very important day in our school calendar as we honour and commemorate the life of our highly respected School Founder Late Shri M.M Kothari, who transformed his thought and vision into concrete reality and gave us the prestigious 'Kothari International School'. On 30 July 2021 the students of K1 were offered an extravaganza of activities to showcase their enthusiasm and talent under the theme 'Thankfulness and Appreciation'. Weeklong activities were designed for the students such as Recitation, Dancing, Singing and Colouring.

### GRADE-K1 FOUNDERS DAY CELEBRATION

### GRADE-K2 FOUNDERS DAY CELEBRATION

To honour and commemorate the life of our beloved and respected School Founder Late Shri M.M Kothari, Grade K2 conducted various age-appropriate activities for their children on Friday 30th July 2021.

A plethora of activities were offered to all students to showcase their creative pursuits. The theme for all the activities was 'Gratitude and Respect'. Students participated with great zeal and enthusiasm in activities such as Poem Recitation, Story Narration, Dancing and singing. Participation Certificates were given to all participants.

## Activity and Events

Students of Grade 3 excitedly commenced the Founder's Day on 25th of July. It is a momentous occasion for everyone at KIS family as it is the birth anniversary of the school founder Shri Mansukhlal Mahadev Bhai Kothari. This year the school organized a week-long celebration from Monday 26th July to Friday 30th July 2021. A plethora of activities like composing poems, recitation, dancing, singing etc. were offered for students to showcase their creativity. The theme for all the activities was respect and gratitude. Needless to say, everybody enjoyed and celebrated the Founder's Day with great love and enthusiasm.
