2. The **IBM Skills Build** ([www.skillsbuild.org](http://www.skillsbuild.org)) program  
Students will be upskilled on emerging technologies and professional development skills that are available for students to use.

#### Benefits For Students-

1. Students are updated with the latest technologies.
2. Certification and badges from Skills Build create a sense of achievement.
3. Helps the students in enhancing their profile for their college applications.
