ORIENTATION FOR FIITJEE SCHOOL INTEGRATED PINNACLE PROGRAM

Dear Parents,
Namaskar!

This is to express our heartfelt gratitude for the support you have been extending to us in all our endeavours, academic and non-academic.

In our pursuit of excellence, KIS has collaborated with FIITJEE for a school integrated Pinnacle programme for Grade 10.

This organization imparts quality training to our students who wish to appear in Science and Mathematics based competitive examinations, both in India and abroad.

We have had excellent results over the past years and our students feel better prepared and confident to excel in various competitive exams like IIT-JEE, SAT and CBSE competitive exams.

The increase in the number of enrolments as well as KIS students qualifying for KVYP and NTSE and IIT- JEE is another indicator of the success of this program.

An **"Online Orientation"** has been planned on ***Friday, 3rd September 2021 at 5:00pm** on Zoom platform, to disseminate information regarding the Pinnacle program for the session 2022-23.
