ONLINE AND OFFLINE CONDUCT OF PREBOARD TERM 1 EXAMINATION
GRADE 10

Dear Parent
Namaskar!

This is to apprise you that the **Pre-Board Term 1 Examination is commencing on 21 October 2021.**

We want to give our Students hands-on practice in answering their Examination Paper on an OMR Sheet as well as the physical experience of taking an exam in School.

This will prepare them for the Term 1 Board Examination scheduled in November 2021 by the CBSE, which in all probability will be conducting on offline mode.

We are giving your Ward the option of taking Pre-Board Examination 1, both Online and Offline. However we **strongly recommend** and advise you to opt for the Offline option as it will benefit your Ward academically. **Datesheet for Pre-Board Examination 1 :**
